C. D. Mass Celebration

To Honor C. D. Volunteers In Sunday Parade

All Daly City will turn out on Sunday, September 13, in a mass celebratoin to honor the civilian defense volunteers who joined the vanguard of civil protection in Daly City when America entered the war.

It will be Civilian Defense Day in Daly City. C. D. volunteers who have completed training will be awarded certificates for their preparation and effort in protecting life and property of this community. A mammoth parade of over 25 sections will be staged, starting from the county line, parading south on Mission street to the athletic field of Jefferson Union high school, where the celebration will continue. Service organizations, city departments, all branches of civilian defense, and San Mateo county organizations will participate in this patriotic show of civilian defense. The Daly City Band, under George Brenner, will be on hand for the demonstration.

Walter C. Hammaker, director of the State Council of Defense, is expected to be guest of honor for the day. A speaker's platform is being erected at the athletic field, and all preparations are under way for Civilian Defense Day.

An important announcement was made this week by the Civilian Defense Council to all volunteers in civilian defense who have not been issued steel helmets yet. The helmets are available for them at civilian defense headquarters in the city hall. All volunteers who have not received them were asked to get them so that everyone will wear one in the parade. Those who have not yet completed their basic training may deposit $2.06 for the helmet. When they have completed their basic training, the deposit will be refunded. The Council urged all volunteers to participate.

Among the early parade entries were the many patriotic service organizations of this community and their auxiliaries, Daly City Police department, Daly City Fire department, Colma Vista Grande Aerie No. 1848, Fraternal Order of Eagles; Daly City-Colma Lions club, and a large number of San Mateo county mounted parade units.

All organizations who wish to participate in the parade are asked to contact Councilman Hugh Smith jr., in charge of the parade.

"This is a fine opportunity for the people of this community to observe and appreciate the efforts of these unpaid volunteers for the time expended in behalf of the community," Smith declared.

Good Dim Out In Local Area

After one week of the new and more strict rules for dimming out all lights on the Pacific coast to comply with Army and Navy proclamations, the Daly City Civilian Defense Council and the Daly City Police department reported good results in the Daly City-Colma area.

Police Chief James G. Reardon declared that there has been good response on the part of residents and motorists alike in abiding by the law set forth by the Western Defense Command. Daly City, with lights visible far out at sea creating a menace to naval operations, was placed in the Zone of Restricted Lighting.

Civilian Defense forces have been on duty every night to put out un-necessary lights and to

Rehearsal Tonight For Ten Sectors

In a rehearsal tonight for civilian defense workers and mobile apparatus of the first ten sectors, the Crocker tract and the West end districts of Daly City will undergo a heavy "bombing" at 7 p. m. in a mock enemy air raid.

Incidents will occur in all ten sectors at once and the air raid wardens, first aid squads, auxiliary police, auxiliary firemen, and all other services in civilian defense in that territory of the city will be called upon to take part. "Bombs" will drop, causing considerable personal and property "damage."

Civilian defense headquarters have been preparing for the drill under much secrecy for the past two weeks. No indication was given this week regarding the type of incidents that will confront workers, only the announcement that there will be plenty of action in all ten sectors when "bombs" begin to fall.

Air raid wardens will phone in the incidents to the control center, located in the basement of the city hall. The messages will be relayed to the control board, composed of heads of services, who will dispatch mobile units and workers to the scene.

Arthur J. Bodien, chairman of the Civilian Defense council, announced that tonight's drill will be followed by other similar drills for other sections of Daly City's civilian defense army. A marked improvement over previous drills is the fact that the rehearsal will include incidents in all sectors, eliminating the possibility of workers remaining at their posts for the entire drill with no practice incident in their particular sector.

Bodien instructed all civilian defense workers to wear the arm band insignia when participating in these drills. He further added that the bands should be kept at all times in a convenient place where they are ready to put on.

"It was reported to me that a large number of our volunteers went to the scene of the blimp crash last Sunday," Bodien said, "in an attempt to officiate without arm bands.

"Naturally police aren't going to recognize them as disaster officials unless they have some means of identification. That is why we gave out the arm bands."

To Abate Condemned Houses

Final disposition of six buildings in Daly City condemned by Arthur J. Bodien, city building inspector, will be made next Monday night at a special meeting, it was learned when the Board of Councilmen met Monday.

An inspection tour of the six condemned structures will be made this week by the city council, City Health Officer Fred Collins, Bodien, and Paul Stein, San Mateo health officer. If the repairs haven't been made to pass the public health and safety code by Monday, the city will order the building in question to be destroyed.

The council held a discussion of the dimout regulations for Daly City proclaimed by the army. Seeking to draft an ordinance to cover the dimout rule by municipal law, the city attorney advised the council to postpone drafting the ordinance. Edward Hoffman, attorney, told councilmen that a uniform ordinance for all cities is now being pre-

Colonel Frederick Peterson was returned to office of County Executive and Purchasing agent Tuesday by more than a six thousand lead over his nearest opponent. Peterson was a strong favorite in Daly City.

UNCLE SAM NEEDS ALL OLD SCRAP

From the attics, workshops, and garages of Daly City homes, like homes in other communities of the nation, there is an abundance of scrap metal which Uncle Sam is relying on to win this war. All scrap metal, all scrap of all sizes, shapes and colors is desperately needed for war production to lead us to that "complete and absolute victory."

Answering the call on their opening week of the new school year will be the grammar school students in Daly City schools. The students will start the new term off with a giant "Junk Week" when they will collect scrap of

San Mateo County Civil Service Petitions

An initiative petition is being circulated in San Mateo county this week to put a civil service measure for county employees on the November ballot. The initiative is being proposed as a charter amendment and sponsors say it has been patterned after the state civil service code. Present county administrative officials approve the proposals of the initiative, according to petition sponsors.

Four 1-B's To Report

Drafted in a special call from the War Department for 1-B selectees, four men in this classification from the Daly City Draft Board No. 103 will report for induction into the army, Monday morning, at the San Francisco induction center.

The four men from this board who will enter the army for special service are: Joe Mariani, South San Francisco; Charles Ralph Coffman, San Francisco; George Alfred Schauer, 285 Hillcrest drive, Daly City; and Shirley Curtis Rangell, South San Francisco.

Sailors! Come Get Your Portable Radio

After giving two sailors a ride Sunday night, Mr. and Mrs. Joe Couture, 249 Los Banos avenue, discovered that a portable radio was left in their automobile.

The Coutures are anxious to return the radio to the sailors. Couture's phone is DElaware 0391.

READING & WRITING MONDAY

High school and grammar school students in Daly City will begin the new school term Monday morning at 9 a. m., according to two announcements this week; one from Principal James E. Ferguson of the Jefferson Union high school, and the other from R. L. Crane jr., superintendent of the Jefferson Elementary school district.

Many new students are expected to enroll in the Jefferson district schools this year, including a large number of kindergarten age. Seven schools will be open to grammar school students in this district. Classes will be held at the following places: Woodrow Wilson Elementary, Woodrow Wilson Primary, General Pershing, Crocker, Thornton Primary, Jefferson Elementary, and Jefferson Annex. Birth certificates will be required for all youngsters entering kindergarten or the first grade. Compliance with a state law calling for age verification makes this necessary, Crane explained.

At Jefferson Union high school, Principal Ferguson said that the enrollment was expected to be from 750 to 800 students. No new classes will be started until the administration finds out the enrollment number.

Schoolgrounds are in wonderful condition with considerable new landscaping, Ferguson said. Jefferson's athletic plant is also ready for the new term. Neil Neilson, engineer of the school, is at work now on a plan for blacking out the swimming pool and the gymnasium to meet the provisions of the army's proclamation for dimming out the entire Pacific coast.

No Married Men For Service Yet

Although a large majority of selective service boards in California are preparing to draft men with dependents, Dr. J. C. McGovern, chairman of the Daly City Draft Board No. 103, announced yesterday that it still remains doubtful whether or not the supply of 1-A men in Daly City will be exhausted within 60 days.

A call for induction of 1-B men will be made from this board, Monday morning, but Dr. McGovern explained that this call requires exclusively men with 1-B classifications. They will be placed in special duty in the army.

"The army has taken a lot of our 1-A men, especially in the past two months, but whether or not we'll be completely out of 1-A's by October so that we will draft men with dependents, I cannot say for certain now," said Dr. McGovern.

From the third registration in February, many have not yet been classified, Dr. McGovern added. These men are between the ages of 20 and 44, not registered in a previous signup. A large majority of this group will be classified as 1-A.

Besides this source of 1-A material, Mrs. Isabelle Flynn, chief clerk of the local draft office, said that nearly 100 questionnaires were mailed out last week to youths of 18 to 20 years

Good Dim Out In Local Area

(Continued from Page 1)

caution motorists to dim their lights and travel at reduced speeds. Air raid wardens alternate on duty, with one night on and the following night off. Auxiliary police officers, 180 strong, are patrolling their beats in Daly City. However, Chief Reardon said that a plan will be worked out where they too alternate. In the city's eight police districts, Chief Reardon expects to have four officers on duty in each section.

No serious accidents in Daly City have been reported as a result of motorists driving with dimmed lights, but a warning note was sounded to pedestrians and motorists alike. No speed limit is posted in the dimout areas, for the basic speed law will apply, providing that "No person shall drive a vehicle upon a highway at a speed greater than is reasonable or prudent, having due regard for the traffic on and the surface and width of the highway, and in no event at a speed which endangers the safety of persons or property."

Pedestrians were cautioned about crossing streets at night when the dimout law is in effect. They were urged to wear light colored clothing or carry something white during the dimout and semi-blackout lighting restrictions. Under the present dimout restrictions it is going to be even more difficult to see pedestrians or bicyclists at night.

To pedestrians the San Mateo County Traffic Commission ventured that getting hurt is an indication of ignorance or carelessness on the part of someone, and the records indicate that in two thirds of the fatal accidents to pedestrians, the walker was to blame.

The dimout restrictions, which went into effect last week according to army proclamation, makes it necessary for all display lighting and outdoor floodlighting not in use in the war effort to be completely out, and for all automobile and residential lighting to be dimmed. For further information on equipping your automobile with proper lighting, see your local service station dealer

CARRY SPARE TIRE

Motorists are urged by the California State Automobile association to be especially sure to carry a spare tire on trips these wartime days. In case of blowouts, garages and service stations will be unable to supply tires to replace the loss. A serviceable spare, no matter how badly worn, is far better than none at all.

City Council Meeting

pared by the League of California Cities.

The city council was invited to attend a banquet at the Colma Cafe on Wednesday, September 2, given by the city employees organization. Bodien, who is president of the organization, invited the council by means of a letter.

Peter Oyhancabal, city janitor, was granted a leave of absence from duties to enter the service of the United States Navy.

A policy was adopted for the Daly City WPA Recreation department by the city council to allow the Daly City Juniors, a local semi-professional baseball club, to have full use of the baseball diamond at Marchbank field on alternate Sundays and to schedule games at 2 p. m.

The formal resignation of Arthur H. Quirmbach, former civilian defense official, was accepted by the city council, and a request by the San Mateo County Defense Council to name a successor was referred to the Civilian Defense Council in Daly City at their next meeting.

Two reports were made to the council by Councilman Hugh Smith jr., one on the plans for the parade on Civilian Defense Day, September 13, and the other on the dinner meeting attended by members of the city council in San Jose, where the Peninsula division of the League of California Cities convened.

Parochial School To Open September 10

Sister Superior of Our Lady of Perpetual Help church announced that school will open for its students, Thursday, September 10. Classes will convene at 9 a. m. that morning.

Fergusons Return From Extended Trip

James E. Ferguson, principal of Jefferson Union High school, and Mrs. Ferguson recently returned from an interesting seven week trip across the United States.

Principal Ferguson enroute attended the National Educational association convention held in Denver, Colorado. In discussion with many leading men in the field of education he found the shortage of teachers much more serious in the eastern part of the country than in the West.

Besides many other interesting stops, Principal Ferguson was fortunate in seeing the vocational guidance and psychological testing program directed by Dr. Robert Bernreuter at the State College of Pennsylvania. This was of particular importance because of San Mateo's interest in starting such a clinic.

While visiting Mrs. Ferguson's daughter and her husband, Mr. and Mrs. Howard Hosmir, Washington, D. C., the Fergusons talked with Congressman Anderson and watched many important departments of our government in action.

Mr. and Mrs. Herbert E. Morrical, Colma, are being congratulated upon the birth of a son, August 10, in San Francisco.

Commander Pahlka will preside over his first meeting this evening in the Legion hall at 8 p. m. Highlight of the evening will be the combined report of A. G. K. Jakobsen and Lesley Hill, delegates to the American Legion State convention

Assisting their leader will be the following corps of officers: Henry King, first vice-commander; Marell Smith, second vice-commander; William Lanigan, chaplain; Felix Foreman, finance officer; Lesley Hill, adjutant; and John Matzek, sergeant-at-arms.

PACKERS DEFEAT ARMY AIR TEAM

Adding another game to their long string of victories, Manager Charlie Norry's Daly City Farallone Packers won over a baseball team representing the Fourth Army Air Force by a score of 13 to 7 at Marchbank field Sunday.

The fast moving Farrallones have set a sparkling record in their first year of semi-pro competition, having lost only three games out of twenty this season. Norry announced this week that the Farrallones are ready for stiffer competition.

In a game scheduled for Sunday at Marchbank field at 11 a. m. the Packers will meet the Columbia Outfitting company. All games are sponsored by the Daly City WPA Recreation

Stolen Car Found In Rock Quarry

Stripped of all four tires, a Ford coupe, believed to have been stolen from LeRoy E. McCarthy, Berkeley, was found by two Daly City police officers, Henry Sundermann jr. and Roland Petrocchi, early Monday morning in the Market Street Railway quarry on Hillside boulevard.

Upon investigation of the car, police learned that it was registered to McCarthy. They reported to the Berkeley Police department who checked at the address on the registration card. Authorities in the East Bay city reported that McCarthy had not lived at the address for six months.

Daly City police checked further with San Francisco police to see if such a car was on the stolen auto records but none was found.

Merchant Marine School Opens At San Mateo Point

The youngsters who in the future will sail the nation's merchant ships through submarine infested waters to foreign bridgeheads, will start learning the trick of it at a new specially equipped school on San Mateo Point after August 29.

A speakers' stand full of high-ranking War Shipping Administration, Navy, and Coast Guard officers and Pacific Coast steamship executives will dedicate the new $450,000 U. S. Merchant Marine Cadet Basic School at 10:00 a. m., Saturday, August 29, on an eucalyptus-fringed parade ground commanding an excellent view of San Francisco Bay.

Visitors will be admitted to the new redwood buildings designed for cadet school purposes by Gardner Dailey, California architect.

A "No-Sugar" Dessert

By Frances Lee Barton

YOU don't need to deplete your stock of sugar for this fruity dessert. In fact, you need nothing but your fruit, some hot water, a package of gelatin and a little time.

But the results are well worth while. You'll have a delicious chilled dessert that will cause no discomfort after the heaviest meal — a well-balanced, alkaline-reaction dessert that is "just what the doctor ordered".

Fresh Pear and Grape Dessert

1 package orange-flavored gelatin; 1 pint hot water; 1 cup halved white grapes, seeded; 1 cup diced fresh pears.

Dissolve gelatin in hot water. Chill. When slightly thickened, fold in fruit. Turn into mold. Chill until firm. Unmold. Serves 6.

More Than A Ton Of Old Records

Pictured above are A. G. K. Jakobsen, chairman, and Mrs. Marcie Trier, co-chairman of the Records for our Fighting Men campaign in Daly City which ends Monday. They are pictured with one ton of (4000) phonograph records donated for the campaign in Daly City.

Sponsored by the Daly City Post No. 410 American Legion and the Daly City Unit No. 410, American Legion auxiliary, the outstanding success of the campaign was made possible through splendid co-operation of Daly City and Colma grocery stores and through the generosity of local citizens. Far ahead of any Legion post in San Francisco, the campaign here gives local residents four more days to contribute old, cracked, or broken records. The records are melted and made into new ones for service men. Take your old records to your nearest grocery store.

Municipal Civilian Defense Is Keynote At California League Of Cities Meeting

Municipal civilian defense was keynote of a dinner meeting of the Peninsula division of the League of Califnoria Cities in San Jose's St. Claire hotel, Thursday evening.

The assemblage of over 130 city officials, including three from Daly City, heard addresses from state defense officials. The three members of Daly City's board of councilmen who attended the affair were Eugene Lynch, Edmund Cavagnaro, and Hugh Smith jr. City Engineer Robert A. Klassen, who is an active member of the Peninsula division, was another Daly City official attending.

Walter C. Hammaker, director of the State Council of Defense, was main speaker of the evening, directing his discussion, for the most part, to the apathy now present in a large majority of civilian defense volunteers in cities throughout California.

Illustrating this indifferent attitude which is hampering civilian defense agencies, Hammaker made an amusing comparison of the civilian defense volunteer and a man who fell from a 25 story window.

"As the man fell from the window," Hammaker went on, "he screamed and clutched at the side of the building. By the time he had reached the fifteenth floor in his fall he had stopped yelling but was was waving his arms frantically.

"When he reached the tenth floor he told himself 'this isn't so bad—I think I'll coast a while—nothing has happened—YET.'

"So it is with the civilian defense volunteer who joined up after Pearl Harbor," Hammaker observed. "He is coasting now because nothing has happened yet."

On learning of Daly City's promotion of Civilian Defense Day on Sunday, September 13, in a talk with Councilman Smith after the dinner, Hammaker commended the idea highly, expressing the possibility of his attendance here on the occasion.

Albert Sagehorn, San Carlos, was elected and installed as president of the Peninsula division for the coming term. He is present treasurer of San Mateo county and a candidate for re-election.

Amer. Red Cross Blood Mobile Unit To Be Here Saturday

With the announcement that the Red Cross mobile unit of the Blood Donor service will be in San Mateo on Saturday, September 5, the San Mateo county chapter of the American Red Cross urged Daly City residents to join the county in making blood donations.

Blood plasma from the Red Cross donations is used exclusively for transfusions in army and navy cases. The Red Cross appealed especially to men of San Mateo county since, to date, 314 women and 94 men have donated blood to the Red Cross Blood Donor service. Of this total, 28 donors have given blood for the second time.

Appointments as volunteer blood donor may be made by calling the San Mateo county chapter, American Red Cross, 224 Primrose road, Burlingame.

A recent honor was bestowed on the Red Cross Blood Donor service in Washington where the War and Navy departments announced the award of the Army-Navy "E" to the service. The award of the coveted penant was made possible by the success in obtaining over 380,000 pints of blood requested for delivery to the army and navy by July 1. The Army-Navy "E" is presented as a high achievement in war production.

Uncle Sam Is Calling For All Scrap Metal To Win A Complete And Absolute Victory

(Continued from Page 1)

all kinds from their homes and from their neighbors' homes to boost Daly City's efforts in helping America's war production. All children will be asked to enter this very urgent drive, R. L. Crane jr announced today. Crane is Daly City salvage chairman and superintendent of the Jefferson Elementary School district.

Meanwhile, local residents may aid the drive by taking their collections of scrap to the city's scrap salvage depot in the vacant lot on Mission street across from the Daly City theatre. After a shaky start, the scrap metal drive in Daly City began to take shape this week as more junk was heaped in the collection depot. A pair of old automobile bodies, various automobile parts and discarded household implements increased Daly City's collections considerably, but there is still an urgent need for more.

Crane announced this week that the Coca-Cola Bottling company, which had served in collecting heavy or bulky objects, have ended their participation in the drive. An announcement will be made next week to inform persons how to have heavy objects transported to the depot. An agreement with county salvage officials will be made to get means of transporting this type of scrap metal.

Bomb 'em with JUNK

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a Junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee... If you live on a farm, and have found no means of disposing of your Junk, get in touch with the County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

No More Frantic Search For Blood

There was once a time, no doubt, in Daly City, as in thousands of other communities, when doctors and nurses phoned frantically to contact someone who had some certain blood type so that a life could be saved through a blood transfusion.

Now in Daly City, thanks to the progress in the medical world, the San Mateo County Blood Bank, and the cooperation of many local citizens, a blood transfusion is only a matter of a few minutes and perhaps many lives saved.

Because, Tuesday morning, 75 pints of blood plasma were transplanted from the San Mateo County Blood Bank to Daly City to be used here for blood transfusions. The blood plasma, results of an intense drive in San Mateo county for blood donations, was placed under refrigeration in the basement of the city hall adjoining the Civilian Defense Council control room.

Transporting the blood to Daly City Tuesday morning, and placing it under refrigeration, was Dr. Carl Hoag, president of the county Blood Bank. Dr. Hoag lauded highly the response given by Daly City persons when the Blood Bank was first formed several months ago and cash contributions were urged.

"Daly City did a wonderful job in helping us to organize the blood bank," praised Dr. Hoag. "We certainly appreciate the efforts which have been shown by these people and you certainly deserve to have this blood plasma here."

The blood plasma is in a frozen liquid form in pint bottles, and it is for use in local cases at any time. Dr. W. C. Lynch, head of the local emergency medical unit, is the physician in charge of the local bank. For private use the pint of blood must be replaced and $10 paid to cover the cost of processing the plasma. Dr. Hoag pointed out that at a hospital the wholesale cost is $26.80 per pint.

"Of course, in a bombing or a disaster of that kind," Dr. Hoag added, "all that would be forgotten."

The blood plasma is ready for immediate use after it is thawed in cold water, then hot water, and thawed at body temperature (98 degrees Fahrenheit). Dr. Hoag said that the county will also supply administration facilities for the transfusions.

Police Chief James G. Reardon was named custodian of the local bank by Dr. Hoag. A burglar alarm is attached to the refrigerator in the city hall.

To secure more blood plasma from Daly City persons, the San Mateo County Blood Bank is seeking to establish a blood typing center in Daly City, it was announced Monday by Mrs. Catherine Foreman, local blood bank chairman.

County blood bank officials, in showing the benefits derived from establishment of a headquarters here, pointed out that many persons who wish to donate sometimes make a trip to San Mateo only to find that their blood cannot be accepted. Mrs. Foreman said that the typing center in Daly City would be for testing purposes only, and no blood would be extracted for donations except at the county blood bank headquarters in San Mateo.

Mrs. Foreman said that the center would require a laboratory technician who has had experience in typing blood, office space, and an office force. The center could be open a few hours each day, possibly with evening hours on certain days. Mrs. Foreman added that, since the blood bank is strictly a charitable organization, all services would be donated.

She pointed out the fine record the blood bank has already made supplying hospitals with blood plasma for transfusions. Each donor gives a pint of blood.

Heeding the call for more blood donations were nine more firemen from Daly City. All members of the Daly City Fire department have pledged donations to the blood bank and they are making these through appointment by A. L. Sundstrom, Company No. 4. Representing Company No. 1, the nine men who donated last week are as follows: Dean Woods, William Miller, William Banfield, William Bush, Emil Bertelli, B. L. Meritt, Kai Peterson, and Jefferson Lee.

Local Man Arrested For Curfew Violation

One Daly City man was among 41 Italian and German aliens arrested in Northern California Friday night in a raid by the FBI for violating the 8 p. m. curfew-5 mile travel law.

Arrested by FBI agents, Police Chief James G. Reardon and Sergeant W. W. Sunderland, the local man was picked up at 11:15 p. m., over three hours after all enemy aliens are supposed to be in their homes. He was booked enroute to the U. S. Marshal.

Police again warned all aliens of Italian and German ancestry in Daly City to heed the law requiring all enemy aliens to be in their homes at 8 p. m. every night and to limit their travel within a five mile area of their homes at all times.

who registered in June. This group will be placed in the 1-A category almost intact.

When the supply of 1-A material is exhausted the Daly City Draft Board No. 103 will call men from Group 1, Class 3, which includes cases where support is not wholly dependent on the registrant. Men who fall in this classification are single men with dependents, divorced men paying alimony, and widowers supporting their children but who do not live with them.

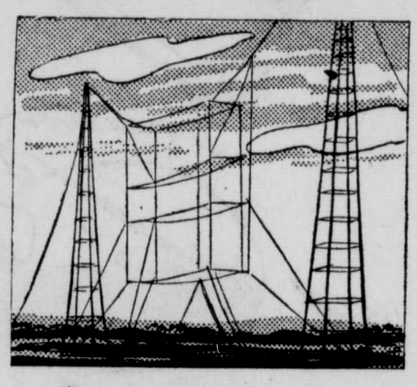
Towers of Truth

Chinese, Finnish, Tagalog, Dutch, Spanish—programs in more than a dozen tongues go out from the towers of General Electric stations WGEA and WGEO, Schenectady, and KGEI, San Francisco.



1. They provide authentic war information for news-starved peoples around the globe, entertainment for U.S. forces abroad. These G-E short-wave stations . . .

2. . . . have special antennas "pointed" at Australia, South America, China, Europe—making reception there almost as strong as from local stations.

3. They provided the only U.S. programs that reached Bataan. People in conquered lands risk their lives to listen. Smuggled letters say they bring hope of release.

4. Some announcers are regular G-E production employees, working on war work. They tell people in their native lands that America is determined on victory.

General Electric believes that its first duty as a good citizen is to be a good soldier.

How to feed your family its vitamins

The above heading is the subject of lesson No. 2 of the much-talked-of "Kitchen Course in Nutrition"—a 10-lesson course-by-mail designed to help you plan meals that are nutritious as well as delicious. 25c is the full price for the entire course. To start, just send your name and address and 25c to Julia Lee Wright, Box 660-CC, Oakland, California.

Safeway prices are not only low on week-ends, Safeway prices are now low early in the week!

Have you a fuss-budget on food in your house?

Here's how to fool him!

In which the Safeway Homemakers' Bureau presents four sensible tips and two delectable recipes

1. Giv the fussy eater more foods ric in B vitamins, because these vitamins promote healthy appetite, good digestion, and general well-being.

2. Disguise foods that are disliked. For example, serve milk in custards, milk shakes, cream soups, and other milk-rich dishes, or instead serve cheese.

3. Combine disliked foods with others that are well-liked. For example, mash turnips with potatoes, season with milk or cream and butter, and the turnips can hardly be tasted.

4. Don't talk too much about nutrition, or tell the fuss-budget how good a certain food is, or urge him to eat, or you'll surely invite rebellion. Just make the food as attractive and good-tasting as you can, and watch what happens.

This recipe for Southern Spoon Bread makes it easy to include milk, eggs, and cereals in his diet and still make him beam with contentment.

SOUTHERN SPOON BREAD

3½ cups milk
⅔ cup corn meal
1 tsp. salt
3 eggs
3 tbsps. melted butter
1½ tsps. baking powder

Heat milk in double boiler. Add corn meal and salt gradually, stirring constantly. Cover and cook 15 to 20 minutes, stirring occasionally. Cool slightly. Beat egg yolks; add with melted butter to corn meal mixture. Beat egg whites until foamy; then add baking powder and beat until stiff. Fold into corn meal mixture. Pour into deep well-greased 2-qt. casserole or baking dish. Bake in moderate oven (350° F.) 45 minutes, or until set. Serve from baking dish with melted butter. Serves 6.

This recipe for Vegetable Custard Ring makes it easy to include more milk, eggs, and vegetables in his diet.

VEGETABLE CUSTARD RING

2 eggs
1⅓ cups evaporated milk
2½ cups coarsely chopped vegetables
1¼ tsps. salt
⅛ tsp. pepper
1 tbsp. minced onion
1 tbsp. lemon juice
1 tbsp. melted butter

Beat eggs slightly; add milk, vegetables, seasonings, and butter. Line bottom of well-greased 1½-qt. ring mold with waxed paper. Carefully pour in custard mixture. Bake in pan of hot water in moderate oven (350° F.) about 45 minutes, or until silver knife inserted in center comes out clean. Unmold to serve; fill center with creamed fish, meat, or vegetables. Serves 8. (*NOTE:* Vegetables may be grated raw carrots, diced plain or mixed vegetables like peas, asparagus, etc.)

WANT TO KNOW WHAT NANCY LEARNED?

WELL, I DON'T GET IT NANCY. THE KIRKS DON'T WASTE HALF THEIR SATURDAYS IN CROWDED GROCERY STORES. DON'T THEY EAT ON WEEKENDS? ETC., ETC., ETC.
OH, I KNOW SHOPPING ON WEEKDAYS IS MUCH BETTER, BUT I HAVE TO WATCH MY PENNIES. I HAVE TO WATCH FOR SATURDAY SPECIALS.
LOOK DARLING, I HAVE A BUDGET TOO, BUT WHERE I SHOP "SATURDAY" PRICES ARE GOOD EARLY IN THE WEEK.
DO YOU MEAN TO SAY THESE AREN'T SPECIAL LOW PRICES?
THEY'RE SPECIALLY LOW PRICES ALL RIGHT, BUT SAFEWAY PRICES ARE LOW LIKE THIS EARLY IN THE WEEK, TOO.
.... SO NOW I GET MY BIG ORDER AT SAFEWAY DURING THE EARLY PART OF THE WEEK AND I SAVE MONEY AS WELL AS TIME AND TROUBLE.
AND ONE THING MORE, DEAR. IT SHOULD BE VERY SAVING ON MY DISPOSITION!

Why don't you get your "big" order on a weekday too?

Not only will you have more time to play on week-ends, but you'll be able to shop more leisurely if you get your big grocery order on a weekday. Safeway's specially low advertised prices, you know, are now good *early in the week.*

Mrs. Margaret Holzworth, 198 Acton street, will be hostess to executive board members of Crocker P. T. A., this morning. The meeting will convene at 10:30 a. m. All members are urged to attend.

Plans for a luncheon, to be held in September, will be the main topic of the morning. Mrs. Holzworth has been named chairman of the affair. Proceeds will go to the vice membership fund.

Mr. and Mrs. Reuben T. Krogh, formerly of 968 Brunswick street, recently moved into their new home near Carmel. Krogh has accepted the principalship of one of Monterey's local schools. He was previously a teacher at Jefferson Union High school.

Prize Dahlias Win Twelve Ribbons

Proud! I should say she is—and why not? It isn't every day a person can come home with twelve winning ribbons.

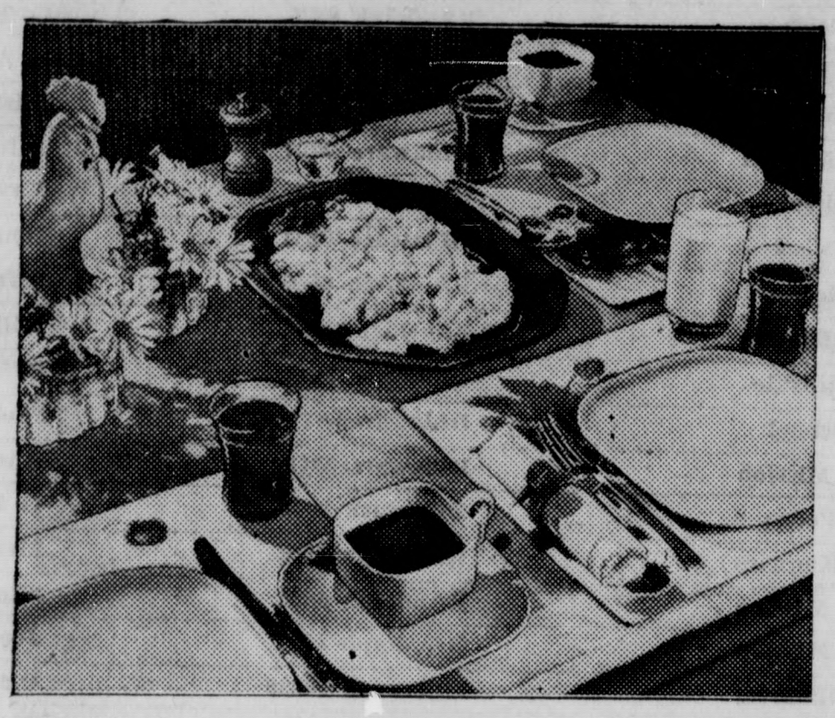
Mrs. Elsie Hiller, 181 Santa Barbara avenue, entered her Mary Stuart dahlias in the amature exhibit of the yearly Alameda Dahlia show held this week in Alameda. These flowers were planted and grown in her own yard.

Judges of this benefit affair found Miss Hiller's dahlias far superior on many counts and presented her with five first prize ribbons and seven second prizes.

Miss Hiller plans to enter more of her flowers in the San Francisco flower show to be held the first part of September in the San Francisco city hall.

Vitamin Rich Tomato Juice is High Hearted Start on Day

Dorothy Greig



First thing in the morning, a glassful of vitamin rich tomato juice for breakfast.

WHAT a cheery stirrer-up of morning energies tomato juice is! The gay red color of it, for one thing. The zestful tang of its fresh tomato flavor, for another. And most of all for its rich vitamin content. For tomato juice boasts generous amounts of vitamins A and B and really stars with vitamin C.

So don't be stingy with the morning tomato juice. Keep cans in the refrigerator overnight to chill it well. Then pour a tall glassful for every member of the family thereby insuring the day's quota of precious vitamin C for each and every one.

Down through the day, too, tomato juice is a cool refresher and reviver. For a between meal snack try it this way:

Tomato Juice-Buttermilk Cocktail

1 pint buttermilk
1 can (14 oz.) tomato juice
½ teaspoon salt
¼ teaspoon celery salt

Pour the tomato juice into the buttermilk; then add salt and celery salt and chill thoroughly. Sprinkle each serving with celery salt. Makes approximately 1 quart.

* * *

And for late afternoon, or for dinner, it's delicious fixed like this:

Spiced Tomato-Ade

3 cups tomato juice
½ lemon, sliced
2 tablespoons sugar
½ teaspoon salt
⅛ teaspoon ground cinnamon
3 whole cloves
3 tablespoons lemon juice

Combine tomato juice, sliced lemon, sugar, salt, ground cinnamon and cloves and heat slowly to boiling. Let stand ten minutes, then strain and chill. Add the lemon juice just before serving Makes 26 ounces.

White Lunch Box

Here is a suggestion made by the San Mateo County Traffic Safety commission to housewives whose husbands work at night and carry a lunch box. Get a small can of quick drying white lacquer and paint that lunch box a shining white.

This will comply with instructions to all pedestrians to wear something white at all times during the dimout, making them more visible to night motorists in areas where the lighting is greatly reduced.

Lost and found columns of Tokio newspapers are crowded these days. Every time an American buys a War Bond, the Japs lose face. Buy your 10% every pay day.

Gracie's Chenille Opens Baby Department

Gracie Meachan, of Gracie's Chenille Spreads, last week announced the opening of a baby department in the store at 6598 Mission street.

In addition to the regular line of chenille spreads and robes, the store will carry a complete line of baby supplies.

Gracie's first opened in Daly City in 1938, and has been so successful that it is now enlarging in order to meet the demands of its customers.
